SUMMARY

Senior educator and instructional leader with 5+ years of experience driving English language arts excellence, interdisciplinary project-based learning, and student outcomes. Proven ability to elevate instructional quality through data-driven coaching, curriculum design, and targeted interventions.

PROFESSIONAL EXPERIENCE

Program Site Director | Saga Education July 2024 – Present

- Managed and coached a team of 15 tutors, successfully moving 12/15 from beginner to skilled in differentiation, scaffolding, and cognitive lift.
- Co-developed strategic plans and department models resulting in 85% student academic growth.
- Built standardized reporting systems (CSV, Excel) that achieved 100% districtwide adoption and increased stakeholder engagement by 33%.

Math & Literacy Instructional Designer | Priority Tutoring Sep 2022 – Present

- Designed curriculum and onboarding workflows aligned to Common Core and the Science of Reading, standardizing service delivery and significantly reducing new hire ramp-up time.

ELA Teacher & Department Chair | Baltimore City Public Schools Aug 2019 – July 2024

- Led a department of 10+ educators, directing assessment cycles and data analysis to improve instructional fidelity to 90%.
- Designed project-based learning curriculum for grade-level interdisciplinary projects and implemented targeted reading and math interventions to drive student achievement.
